BECOME A HOST COMMITTEE MEMBER

Bring your friends with you to this highlight event for Chicago's young professionals!

Lunar Ball was founded in 2013 under the belief that a volunteer-run event could strengthen the community and create meaningful opportunities for service, cultural awareness, and leadership development.

Around 200 people from a handful of community organizations attended the inaugural Lunar Ball at the National Hellenic Museum. Over the past 4 years, Lunar Ball has grown tremendously and brought additional groups and communities together. At last year's Lunar Ball at the Chicago History Museum, over 700 attendees from 32 different organizations celebrated the holiday and raised funds and awareness of charities doing important work in the community.

This year's event at the Wintrust Grand Banking Hall will continue growing as Lunar Ball becomes one of the premiere events for Chicago's Asian American and young professional communities.

We welcome you to become a Lunar Ball host committee member. With your help, we will engage more members of the community in supporting local charities.

A few of our Community Organizations

GIVING BACK TO THE COMMUNITY

Every year, 100% of the proceeds from Lunar Ball support different local Chicagoland charities doing critical, innovative work in areas such as youth, elderly, and refugee services, education, workforce development, arts and culture, and leadership development.

Your support helps provide essential social services and much needed resources for the Chicagoland community.

Host committee members are a critical part of Lunar Ball and help us continue growing support for our beneficiary charities.

We recognize host committee members on our website and in the program booklet. Hosts who are able to make introductions to potential sponsors can receive additional benefits. We look forward to your participation in Lunar Ball.
